N. B. *As the Small-Pox has been very much in this Town this Year, and more mortal by far than in any one Year in the Memory of Man; and because various false Reports have been spread in the Country, to the great Prejudice of the Trading Part of the said Town; I have taken the Pains to go through the several Parishes thereof, and, upon a strict and impartial Enquiry, do find that in the Parish of All-Saints 568 Persons have had the said Distemper, whereof 85 have died; St. Sepulchre's 165, 27 died; St. Giles's 106, 9 died; and St. Peter's 60, 11 died: In all 899, whereof 132 have died. In which Numbers are included those that were buried in the said Town and elsewhere.*

A. PHILLIPS.

We having read and examined the above Account, do believe it to be true:
